UMMAH
HOME SCHOOLING

stuck at home with bored kids?

We take the health and safety of our team very seriously. As a proactive and precautionary measure, we are open to give some practical options for parents.

Don't worry - we've still got you covered!
Have a customized stay-at-home survival kit delivered to your . Just let us know the age and interest of your child and we'll put something together for you.

For more specific requests, feel free to email at ummeumar@ummahhomeschooling.com

*enjoy free tips & counselling
session for you and your
family by abu umar*

we've got something for everyone

3 BOOK LOVER PARENTS CAN DREAM THIS

4 FOR THE ARTIST

5 FOR THE CRAFTER

6 MAKING CAKE & COOKIES

7 FOR THE LEARNER

8 TEACH THEM FOLDING

Building blocks and other learning blocks

Very healthy activity which can engage your children .

Teach unity

Just teach them how to play together

BALLS

Every child's first love , give them balls and see
